Mountaineers Defeat Spirited Lavender ‘5’

By Richard Gurian

EMMITSBURG, Maryland, March 4. — They tried, but they couldn’t make it. In their first crack at a post-season basketball tournament since the 1949-50 championship team, the Beavers tonight lost to Mount St. Mary’s College, 92-84.

The Mountaineers, led by forward Among the Beaver’s big fives, the game was an exciting one. The Blue and White were never seriously threatened after that.

The game was a tale of two teams. The Beavers, paced by Syd Levy with 21 points and Ralph Schefflan with 20, were behind by only one at the half, 37-36. When the second stanza opened, they played good ball until Levy fouled out with six minutes left.

The Mountaineers used a free-wheeling offense with jump shooting by captain Sullivan sparking the attack. On defense, they used a number of good results against every Mount St. Mary’s City’s offensive pattern which had Levy in the pivot.

In the final minutes, Mount St. Mary’s built up a seven-point lead with eight minutes left. The Beavers never got it back. It was a solid victory for Mount St. Mary’s.

**Polansky Raps Officials; Will Send Letter to NCAA**

EMMITSBURG, Maryland, March 4.—Dave Polansky, City coach, who rarely gets riled in a game, said that he will write to the NCAA about the officiating at the game. Polansky, speaking in anger, said that one of the officials, Frank Tannyhill, “leaned over backward to help them.”

Polansky also said that he was “bitten-off” but wouldn’t put himself on the record as saying Tannyhill has called “the honest” game. However, Polansky praised the other official, Book Jim Phelan, Mount St. Mary’s coach, said he was “real happy” at his team’s victory on the officials. Phelan said that he wouldn’t “put the” on Tannyhill but wouldn’t “put the honest” game. However, Polansky praised the other official, Book Jim Phelan, Mount St. Mary’s coach, said he was “real happy” at his team’s victory.

The 45 Club had its troubles—the Baruch School contingent didn’t arrive at the game until there were two minutes left in the first... The partisan crowd cheered for its hero, Jack Sullivan. The three forward scored only four out of eleven shots from the field in the first half, but made up for it in the second period by finishing in a flourish with 36 points. The coach kept yelling “set it to Sully,” and the Mountaineers did just that. He was the crowd’s best man, hardly the outstanding performer of the game. The recruit holds the record. This season he has averaged better than 32 points per game and in his four-year career has amassed over 2,600 points.

Mount St. Mary’s and City had but one mutual opponent, Fairleigh Dickinson of New Jersey. Both teams beat the New Jersey school quite handily. The Mountaineers coach, Polansky, was told that the Beavers were a deceptive ball club.

**SC Moves to Utilize More Election Booths**

Student Council Friday evening passed two motions, which would provide for additional School-wide election booths and which would place qualifications on the ballot of candidates for Council executive positions.

The action came about as part of the Council’s plans for improving School-wide election procedures. It would make it possible for the location of voting booths at various places in the School.

A motion by Larry Schiff, ’59, which would have required the SC treasurer to submit a detailed report of all Council expenditures each week, was defeated. It was felt that “anyone can check the Treasurer’s books” and that it took the form of “a slap in the face of the executives” who sign the vouchers. The Council’s Treasurer, Joel Isaacson, promised to submit reports every other week.

In Friday’s special elections, contested candidates Bill Lipton and Fred Harap captured the presidential and vice-presidential positions of Lower ’58. Mel Small and Georgette De Luca were elected Upper Junior treasurer and secretary.

Upper Sophs Vote

The Upper Sophs chose Irwin Feller to fill the vacant SC seat while the Upper Fresh picked Carol Groeninger and Marvin Auerbach to fill their two empty Council seats. All unopposed candidates were triumphant.

ite the Mount St. Mary’s College Mountaineers at Emmitsburg
Maryland.

Tonight, the Beavers take another trip—this one
somewhat shorter, to the Fordham Gym in the Bronx
play traditional rival New York University.

The Violets are led by 6-4

At mid-season, the team
strenuously sought to strengthen the eligibility

Another starter for NYU is
Bob Brown, who shares the
