Abstract

The Bronx Community College Center for Sustainable Energy Collection is composed of documents pertaining to the Center from 2011 to 2012.

Administrative Information

Access
Collection is open to the public. Library policy on photocopying will apply. Advance notice may be required.

Publication Rights
For permission to publish, contact the archivist.

Preferred Citation
Identification of item, date (if known); Bronx Community College Center for Sustainable Energy Collection, Call #, box number; Archives and Special Collections, Bronx Community College.

Custodial History
The Bronx Community College Center for Sustainable Energy Collection was donated to Archives and Special Collections in 2016 by the Office of the President of Bronx Community College.

Processing Information
The collection was processed and cataloged in 2017-2018.
Historical Note

The Bronx Community College Center for Sustainable Energy was established in 2003 and was located on campus in Snow Hall. Its mission was to train students for careers in renewable energy research, solar installation technologies, energy efficiency and sustainable design.

Scope and Content

The collection, comprising 1.25 linear feet, includes meeting agendas, planning documents, correspondence, flyers, newsletters, and general information about alternative energy. The materials therein pertain to the day-to-day activities of the Center for Sustainable Energy.

Organization

Items in this collection are organized chronologically.
