The History of Blacks in Sports

The Ursula C. Schwerin Library will host a month-long exhibition, "The History of Blacks in Sports: African American History Month 2008", in the Library's showcase windows during February 2008 as part of the College's observance of Black History Month. The exhibition, provided by the Department of African-American Studies and accessible Mondays through Saturdays whenever the College is open, will feature books, photos, posters and other memorabilia (as well as a DVD) that celebrate the role that Blacks have played in professional and amateur athletics across the years. Many of the items come from the collection of Mr. Stanley Chambers (Stanley's Place), a City Tech student.

For more information, contact mhounion@citytech.cuny.edu.

The exhibit will be on view till March 8, 2008
