Memorandum

To: THE FACULTY

Date: JULY 17, 1979

Subject: FACULTY BIBLIOGRAPHY

From: NGOZI P. AGBIM

At last, the Library Media Resources Center is happy to publish this first edition of LaGuardia Faculty Publications! The listing herein, includes only materials which have actually been published. If there is enough interest by faculty, a separate listing will be made of addresses, awards, dissertations, etc.

This issue is necessarily incomplete because it includes only those publications reported to us, and we know that more faculty members have either published recently or failed to report earlier publications. Consequently we consider this a working draft only, and request your assistance in completing and updating it.

A copy of LaGuardia Faculty Publications is being sent to each department/division office and to each contributing faculty member. We plan to revise this publication once a year, preferably during the Fall Quarter. But we cannot do it without your help and cooperation. How can you help? Simple.

--Submit all your new publications promptly to the library.

--Check your entries in every new edition of LaGuardia Faculty Publications (beginning with this First Edition) for accuracy and completeness.

Send all pertinent information to Ms. Gladys Forman at MBL2B.
