COLLEGE RECEIVES TWO NEW GRANTS

Two grants--for \$76,784 and \$119,207, respectively--have been awarded to Hostos Community College by the Bureau of Two-Year College Programs and the Division of Occupational Education Supervision of the State Education Department of the University of the State of New York.

The \$76,784 grant is to be used to purchase equipment for the college's new health science program in X-ray technology. The \$119,207 grant will be used to purchase equipment for the college's new dental assisting program.

Approval of the grants was made possible by the Vocational Education Amendments of 1968.
