

Julian Bond Graduation Speaker

GEORGIA LEGISLATOR TO KEYNOTE SECOND ANNUAL COMMENCEMENT

Julian Bond, Georgia legislator and civil rights activist who was nominated to be vice-president of the U. S. during the stormy 1968 Democratic convention, will deliver the keynote address at LaGuardia Community College's Second Annual Commencement September 8 in Colden Auditorium at Queens College.

Bond was a founder of the Student Nonviolent Coordinating Committee (SNCC) in 1960 and served as Communications Director in that organization until 1966. During that time he was deeply involved in civil rights drives and voter registration campaigns in Georgia, Alabama, Mississippi and Arkansas.

Although elected to a seat in the Georgia House of Representatives in 1965, he was barred from taking office by the Georgia legislators who strongly objected to his statements on the Vietnam War. Finally, after he had been barred two additional times, the Supreme Court ruled that the Georgia House had erred in refusing him his seat.

In 1968, charging that blacks were being excluded from significant participation in the regular delegation headed by Georgia Governor Lester Maddox, Bond led an insurgent delegation to the convention

and won half of the 42 votes allocated to the Georgia delegation. Bond seconded the nomination of peace candidate Eugene McCarthy and his own name was placed in nomination for the Vice-Presidency but he was too young to accept.

NEWS NOTES...NEWS NOTES...NEWS

General Chairman of the 1974 Annual State University of New York Two-year College Conference was **Donald A. Davidson**, Associate Professor in the Data Processing Program at LaGuardia...Also participating in the conference: **Ernest Manshel**, Assistant Professor in the Business Division, who served as Chairman of the Planning Committee ... **Thomas French**, Associate Professor in the Division of Social Science ... **Benjamin Popper**, head of the Communications Skills Division ... **Rose Palmer**, Chairman of the Division of Business ... **Marlene Obert**, lecturer in the Division of Communication Skills ... **Fillmore Peltz**, Director of the Middle College ... **Wallace Appelson**, Dean of the Faculty ... **Anita Vogel**, Director of the Human Services Programs.

President Shenker is among those appointed recently by the Board of Higher Education to a special task force which will make a study of student activity fees at the City University. The group will examine fee procedures at the 19 colleges of CUNY and make policy recommendations to the Board, based on the study. In announcing the task force, BHE Chairman **Alfred A. Giardino** said "the Board of Higher Education believes that an in-depth study relating to mandated student fees is appropriate and timely. While City University student governments have generally allocated funds into constructive and enriching programs, recent allegations and questions point to the need for a set of clear and enforceable procedures and criteria for the allocation, expenditure and audit of these funds." The task force will be co-chaired by **Stanley Goldstein**, former president of the Brooklyn College Alumni Association, and **Virginia Laughlin**, former Hunter College student body president.

The BHE has also appointed a short-term commission to recommend policy in the broad area of faculty personnel practice, including tenure.

"LETTER OF SUPPORT" FOR OCCUPATIONAL THERAPY PROGRAM

A reviewing team of the Accreditation Committee of the American Occupational Therapy Association has recommended that the LaGuardia Community College Occupational Therapy Assistant Program be given a "letter of support" by AOTA.

While the "letter of support" does not indicate a form of pre-accreditation status, it suggests that the program seems to be headed in the direction which would lead to ultimate approval, according to officials.

College Senate News

by **Richard deHaas**
Secretary, College Senate

As Senate Secretary, I will be writing a column in Perspective and in Fiorello's Flute about once a month, regularly reviewing recent actions of the Senate and its committees. This will be done so that all members of the college community can more readily be kept informed of Senate Committee business. In addition, minutes and other material on College Senate actions are available in my office (Room 302) and in a central display in the college library.

The College Senate is now in the process of forming the new committees established in the Governance Plan. It elected seven of its members at its meeting on May 9 to the Committee on Committees. Elected were Jerolyn Minter, Flora Mancuso, Rose Palmer, Ralph Garrett, Farley Arriaga, Calvin Samuels, and Joseph Gutman.

The Committee, chaired by Dean Minter, has been working very hard to create the new committees called for in the bylaws. The Committee has distributed copies of a committee service applications for committee service. (If you haven't yet submitted one, contact Dean Minter, Room 143, Ralph Garrett, Room 104, or myself.)

The next Senate meeting is scheduled for July 10. The new structure and membership proposed by the Committee on Committees for the Curriculum, Academic Standing, and Evaluation of Program Effectiveness Committees will be reviewed then. The remaining new committees will be established by the Committee on Committees as of the Fall Quarter.

Other forthcoming agenda items will include a report on the Academic Calendar and a review of the grading system. All students and staff can submit items for placement on Senate or Senate Committee agendas by sending them in writing to my office or by notifying your Senate representative for referral of the item to me. Items intended for discussion at a particular Senate meeting must be received two weeks in advance to be placed on the agenda. Exceptions will be dealt with by the Executive Committee.

If you have items you would like to see the Senate discuss or act upon, please send them to me. I would also like to remind everyone that Senate Meetings are open to the entire college community. We will be meeting July 10th at 2:00 P.M. in Room S-143 and generally on the first Wednesday of each month thereafter.
