Approval of the minutes from the previous meeting

President's Report

- President did not attend the meeting due to illness.

Vice President's Report

- Recommended delaying LACUNY Institute to Spring 2012 to accommodate ACRL Roadshow and need for more planning time with a small winter event to make up for the delay
 - Vote was taken and approved unanimously

Treasurer's Report

- Chase \$16,171.22
- PayPal \$4894.65

Committee Reports and Announcements

- Election Committee has sent out requests for candidates for LACUNY Elections

Old Business

- It was decided that setting up a Google Documents account and posting the membership list on the LACUNY website might violate privacy preferences for some members and be logistically difficult due to the fact that creating a website account on the LACUNY website is open to the public and not limited to just the membership.
 - Delegates voted that the Treasurer would email delegates a membership list each month and event organizers were to request the membership list from the Treasurer prior to the event so they would know who to charge.
- 2 complete logo submissions were reviewed, but found lacking in design appeal. More submissions are needed or the redesign will be turned over to the web team.

New Business

- Travel grants issue not resolved. There is supposed to be a Professional Development committee which sends out the deadlines for submission criteria. The deadline is usually sent out by the end of April/beginning of May. The professional development committee needs to meet ASAP and resolve this issue as members would like to apply for the grants.
- Vote on funds request or food for Emerging Technology event approved for \$320
- Vote on funds request for food at IRRT event approved for \$200

Meeting adjourned at 2:49PM
