Mr. Randolph Evans

New York City, New York

Dear Mr. Evans:

It has been brought to the attention of this Committee that no provision has been made for the erection of a flag pole, in the landscaping plans for the new Brooklyn College.

This being a public institution and an institution of learning this Committee feels that a Flag Pole should be erected on the Campus. We are certain that this was merely an oversight on the part of the planning Committee, and that you want this oversight corrected.

As a suggestion it would be a patriotic gesture to make it a "War Memorial Flag Pole", in honor of our Comrades who made the supreme sacrifice in the World War.

Your co-operation in this matter will be appreciated by the Legionnaires of Kings County.

Sincerely yours,

James E. Mc Cabe
