

February 17, 1933

Mr. George Derby
Managing Editor
The National Encyclopedia
of American Biography
70 Fifth Avenue
New York, N.Y.

My dear Mr. Derby:

I have your letter of February 15, 1933 asking me to fill out a questionnaire, the data furnished therein to be used for the forthcoming volume of the National Encyclopedia of American Biography.

I have nothing to add to the biographical information which I forwarded to you on October 6, 1932.

Very truly yours,

President
