Dr. Earl A. Martin  
Chairman, Building Committee  
Brooklyn College.

Dear Professor Martin:

President Boylan has asked me to send to you the names of the organizations that have offered to present American flags to new Brooklyn College. These are as follows:

American War Mothers - Nellie G. Robinson Chapter  
represented by Mrs. Paul G. Field, Secretary  
544 East 4th Street, Brooklyn, N. Y.

Amersford Council No. 129 - Jr. O. U. A. M.  
represented by Morrill M. Hough, Past Councilor  
2304 Newkirk Avenue, Brooklyn, N. Y.

The President thinks it would be well to have flag presentations included in the program, should it be decided to hold formal dedication exercises when the new buildings are opened.

Very truly yours,

Secretary to the President

MME
