Your login is your CCNY domain name typed in all lowercase letters, and your password is the one that goes with it. These are usually the same as your Citymail userid and password. NOTE: you cannot change your username or password on the system, or the email address you want it to use, even though it makes it seem like you can (if you change your domain password on [CCNY's site](#), then it will automatically change on Webwork). Also NOTE that student passwords expire every 180 days, so you may all of a sudden be unable to logon after successfully using the system in the past. In that case, you must change your password by going to <https://reset.cuny.cuny.edu/student/> and filling in the request form, or go to the Service Desk on the first floor of the Cohen Library in NAC 1/301 in order to be able to use the system again.

Attendance: Attendance to all class sessions is *mandatory*. It is important to arrive on time and remain in class.

Course Policy: *NO Cell Phones* in class. If you bring one to class, it must be kept out of sight at all times and must be turned off. You can miss class or be late to class three times without penalty if you have an appropriate excuse. Excuses for missed classes or tardiness, must be submitted by email within two days of infraction.

Academic Integrity: The faculty and administration of The City College of New York support and environment free from cheating and plagiarism. Each student is responsible for being aware of what constitutes cheating and plagiarism and for avoiding both. The complete text of the CUNY Academic Integrity Policy can be found at this site: http://www.cuny.cuny.edu/about/upload/academic_integrity.pdf . If a faculty member suspects a violation, the faculty member **MUST** report the violation.
