Dr. R. C. Benedict
Dir. Brooklyn College Farm Labor Project
Morrisville, New York

Dear Dr. Benedict:

The United Church of Morrisville cordially welcomes the students of Brooklyn College to Morrisville and it is the wish of the church that you pass this letter along to them. In keeping with this welcome at a joint meeting of the Deacons and Trustees last evening it was voted unanimously to extend an invitation to the students to use the auditorium of the church at such time or times each week as do not interfere with its regular use. It is presumed that Friday evening would be the time when your group would desire it most. Friday evening would not conflict with any program we have under way at the present. In this connection I suggest that you get in touch with our Pastor, Mr. Powell, in regard to the details.

If there is anything else that we can do for you and your students, let us know.

Very truly yours,

(Signed) Wm. Houghton

Clerk, United Church
