The Finance Committee examines the books and accounts of all City offices, looks at the books and papers belonging to the office of the City Clerk and the Finance Director, and holds meetings during each bi-monthly session. It keeps a record of all City expenditures, and submits a report to the City Council. The last committee is the Public Services Committee, and as proposed, will be held by alderman Art Risavy. The meetings begin on Tuesday, beginning at 7:00 pm. This meeting is also open to the public and takes place in the Governor Thompson Conference Room at City Hall.

Laurence Clark will be replacing Garcia, who did not seek re-election. Garcia has been a long-time Board member, serving on the board from 2001-2016. The board is currently looking for a new member to fill the vacancy created by Garcia's resignation.

Power of the Purse raises $19,000

The event, held on Tuesday, April 27 at the Loews and Clark Community Center - South Campus, included both a silent auction and live auction. Items included handbags, scarves, jewelry, and accessories. The third annual Power of the Purse was a tremendous success, and it is only possible because of the generous donations of local businesses and individuals who stepped up to support this important fundraiser. The evening’s proceeds will benefit the Village of West Frankfort, the University of Illinoisan, and the Village of Maryville.
