The Committee on Academic Standing did not complete its regular business for the Academic Year 1982-1983 until after the last Senate meeting for that year and that is the reason for the delay in submitting this final report. The Committee conducted 1 special, 3 graduation and 14 regular meetings during the year. Detailed information concerning items indicated above may be obtained by consulting the minutes of the CAS which receive college-wide distribution or by consulting with your representative to the Committee.

In addition, this semester the Senate will receive an up-dated version of the Codification of the CAS for receipt/file and approval. This latest version of the Codification, prepared through the cooperation of Ms. Regina Tobin and Mrs. Daphne Ray of the Registrar's Office, will contain a summary of the academic regulations promulgated by the Board of Higher Education, the CAS, and the Senate as they relate to those matters within the purview of the Committee on Academic Standing. We, the members of the CAS, hope that this document will prove of assistance to the Senate and College community as a whole.

Respectfully submitted,

John Hayde
