

Mr. Frederick Pertsch
Assistant Superintendent
Board of Education
Livingston St., Brooklyn

Dear Superintendent Pertsch:

In planning for all phases of our Farm Labor Project at Morrisville, N. Y., we are counting on the service of the wives of the faculty members who are to be stationed at Morrisville. One of these, Mrs. Amelia Fleisher (Mrs. Edw. Fleisher) is a regular teacher in P. S. 99, and in this connection, scheduled for a week's service in the city. We shall appreciate it if it is possible to be excused from this week of city assignment so that she may give us two months of uninterrupted service in phases of dormitory supervision, etc.

Yours sincerely,

Harry D. Gideonse

The enclosed circular and "Progress Report" will give you an idea of the scope of our Project.
