Dear President Gideonse:

By way of information, and to assure you that we shall be glad to give you more than two programs. Also, we should be delighted to have you introduce Controller Moore. Any leads toward other speakers, and help in getting them will be appreciated.

Next week, Wednesday, we are have a mass registration of our 'company' in the afternoon. For that day, if there is time, or for Thursday or Friday, I want to call a first assembly, here in Brooklyn. Will you have free space one of those days?

Sincerely,

Ralph E. Vandenbark
