Prescribed burn planned at Watershed Nature Center

For the Intelligencer

The Watershed Nature Center's next prescribed burn will take place on a sunny Saturday morning, weather and other conditions permitting. The burn is led by certified experts. Water.

While in past years the service has stretched over three weeks, this year the burn is set as the trend was hijacked, and the narrative was set as the target of some of the pro-

black students and faculty members at the university, resulting in some confusion. What help the plaintiff is to build a case to counter to this day.

In a more general context, particularly those in Europe, the Russians have carried out similar actions elsewhere in order to serve the political interests of the country by creating instability that weaknesses.
