IV. Old Business

Storage of documents - no report pending notification from the counsel for the City University.

V. New Business

Auditing of Nursing courses - the representative of the Nursing Dept. raised a question regarding the auditing of Nursing courses. She was concerned whether the student was covered during the clinical portion of the course by the liability insurance. Mr. Erdsneker stated that the student must complete all the course requirements and take all the exams. If they pass the course, they receive an "AUD" grade. If they fail the course, they receive a "W" grade.

Committee members also were concerned about whether auditors would take the places of matriculated students and possibly close course sections. The Nursing representative will discuss this concern with members of her department.

VI. Date of Next Meeting and Adjournment

1. The next meeting of the Committee will be on December 16, 1987
2. The meeting was adjourned at 2:50 P.M.

Respectfully submitted,

Donna T. Genova
