Last Wednesday the Holy Rood Medical Center in Highland held its 15th annual blood drive, which took place from 12 noon to 6 p.m. in the Korte Recreation Center. The drive was a huge success, with 595 donors and 15,798 units of blood collected. It was the second highest number of units collected in the state of Illinois and the fifth highest in the country. The drive was a huge success, with 595 donors and 15,798 units of blood collected. It was the second highest number of units collected in the state of Illinois and the fifth highest in the country. The drive was a huge success, with 595 donors and 15,798 units of blood collected. It was the second highest number of units collected in the state of Illinois and the fifth highest in the country.
