V. Old Business--"S" and "U" Grades

- A. Motion: To reconsider the motion regarding "S" and "U" grades voted on at the April 29 CAS meeting. Approved 13-4-2.
- B. Motion: To approve the motion regarding "S" and "U" grades as presented at the April 29 CAS meeting (motion follows). Approved 12-5-2.

Since English 01 and 02 are remedial courses in which developmental writing takes place, student work is not yet expected to be at college level. It does not serve the interest of the students or the instructors to, in effect, penalize students at midterm with "D" and "F" grades, or possibly mislead them with "A" and "B" grades. These grades are not realistic assessments. No good purpose is served by assigning an academic grade at midterm when the students are in the middle of the process of learning to write. The students should not receive an academic grade until the end of the semester when, it is hoped, their writing skills will have developed to a satisfactory level.

For these reasons, we move that members of the English Department be allowed to award midterm grades of "S" and "U"--or some other non-academic equivalent--in remedial writing courses. The "U" grade is to be given for performance evaluated at "D" or lower.

The "S" and "U" grading system, which will be instituted on a one-semester trial basis, will be explained to the students in full at the beginning of each semester.

VI. New Business--Permanent Suspension

The Committee will consider definitions of suspension during the fall, 1992 semester.

VII. Date of Next Meeting and Adjournment

- A. The next meeting will be held on Thursday, June 4, 1992, South Hall Conference Room, at 11:00 A.M.
- B. The meeting was adjourned at 3:25 p.m.

Respectfully submitted,
