V. Old Business

A. Grading in RAD TECH

In response to the Committee's request, Prof. J. Prince presented the priority list for readmission to the Radiologic Technology Program (see P. below).

B. Motion: To accept the following priority list as criteria for determining readmission to the Radiologic Technology Curriculum and Radiologic Technology courses (criteria to be included in the CAS Codification):

. Students with a W in a RAD TECH, NMT, or CLE course who were doing well in the Radiologic Technology Program, but withdrew because of illness or personal reasons

. Students returning after an absence of one or more semesters from the Radiologic Technology Program with a C+ or better in each Radiologic Technology course and I or better in each Clinical Education course

. Students who did not achieve at least a C+ in any one Radiologic Technology course for Nuclear Medicine Technology (84) will be placed on a waiting list.

Students will be able to re-register according to the following priorities:

1. Those who have been on a waiting list for at least one semester

2. Those who have been on the waiting list for less than one semester

. Students who received grades of less than C+ in more than one Radiologic Technology course (including NMT 84) or less than B in any one Clinical Education Course (CLE) will not be eligible for re-admission to this program.

C. Criteria for Admission into Clinical Nursing Sequence

No action.
