Brief Note from the Editor

I welcome the reader to the inaugural issue of the *Newsletter of the Society for Occupational Health Psychology*. The Society for Occupational Health Psychology has been recently organized, as an article in this issue describes. Like other organizations, the Society needs a newsletter. The purpose of the newsletter is to communicate important information to the members and to other interested individuals. OHP is an emerging, cross-disciplinary field that includes scientists and practitioners; I expect that the newsletter will help add to the growth of the field and the membership of the Society. I anticipate that the Society will publish the newsletter one or two times per year.

I thank the contributors for their efforts. I thank the associate editors, Joe Hurrell and Kizzy Parks, for their work in making the newsletter possible. And I thank Janet Barnes-Farrell and Kim Davies-Schriels for their work on the layout of the newsletter.
