III. Old Business--Reconsideration of "D," "D+," and "F" Policy

A. Prof. Hayde presented his annual report of the CAS, 1994/1995, to the Committee.

B. Motion: In view of the fact that the matter on the table is an amendment to a previously approved motion, move to waive the rule of waiting until the third meeting to vote. Approved 15-0-1.

C. Motion: To approve the "D," "D+," and "F" policy section of the CAS Codification (4.3.5), amended as follows:

When an undergraduate student receives the earned academic grades of "D," "D+," "F," or an administratively failing grade, and that student subsequently retakes the same course at the same institution and receives a grade of "C" or better, the initial grade will no longer be computed into the Grade Point Average. The original grade shall, however, remain on the transcript with the notation "not calculated in Grade Point Average." For such courses taken prior to September 1, 1984, permission of the CAS is required.

The number of such credits that can be deleted from the Grade Point Average shall be limited to 16 for the duration of the student's undergraduate enrollment in institutions of the City University of New York.

This policy shall be effective only for courses repeated after September 1, 1990 for elimination of grades of "F" or their administrative equivalent, and effective only for courses repeated after September 1, 1995 for elimination of grades of "D" or "D+." Note: Repetition of grades of "D" or "D+" may negatively impact financial aid status. (See Financial Aid Office for additional information.)

Students wishing to resolve grades under this policy are required to request of the Registrar that the grade changes be made.

Approved 11-2-4.
