# 21 STUDENTS EXPELLED

## Strike Robbie Out!

Twenty-one students were expelled, four suspended, and twelve placed on probation, for protesting the visits of fascists to City College and demanding the ouster of President Robinson, who welcomes fascists.

The expulsion of these students makes it dangerous for you to protest fascism, or to make free use of your basic right to free expression.

BY SHOWING OUR UNITED SUPPORT FOR THE EXPELLED STUDENTS WE CAN MAKE THE FACULTY RECONSIDER ITS ACTION. This was done last week at the University of California where four out of five suspended students were reinstated after a huge student strike.
