Meeting called to order at 12:15 by Dr. Ruth Bass

I – Dr. Bass **welcomed those new to the Senate**, and asked each person (new and old) to introduce him or herself.

II - The **agenda** was approved. Dr. Bass explained that this would be a short meeting, without the usual reports, because Faculty Council will occur today at 1pm. [Last week's scheduled Faculty Council meeting was postponed as the College closed for hurricane Floyd.]

III – The **minutes** of May 20, 1999 were approved, with the addition of Marianne Pita as present, and Alice Fuller listed as a “permanent” guest, not a voting member.

The **minutes** of March 18, 1999 should have included, as an addendum, the revised composition of the Committee on Instruction and Professional Development. See attachment.

IV-- **President Williams** greeted and welcomed everyone. She explained that she regretted that she could not give a longer report, and stay for the meeting, because she had to leave immediately because she had to be present at a CUNY meeting downtown that began at noon.

V – **Senate Officers** were elected, one by one. Nominations were opened and closed, with only one person nominated for each position. A motion was made and seconded that the secretary cast one vote for the nominee in the name of the body. Approved *vive voce*. The new officers are:

Dr. Ruth Bass, Chair

Ms. Nicole Holmes, Vice Chair

Dr. Kathleen Berger, Secretary

VI- The **Ombudsperson** position, responsibilities, and election process (three votes per student Senator, one vote for other voting Senators) were explained. Nominations were opened and closed, with only one person nominated. A motion was made and seconded that the secretary cast one for the nominee in the name of the body. Approved *vive voce*.

Dr. Vincent Bonelli, Ombudsperson.

VI – The role, restrictions (must be full Professor, cannot be a department chair) and responsibilities of the **Academic Review Committee** were explained. Nominees were: Howard

Balter, Madeline Bates, Kathleen Berger, Howard Fuld, Jacqueline Gutwirth, Michael Kanuck, Vincent Kissell. Elected were three incumbents:

Madeline Bates  
Kathleen Berger  
Howard Fuld

The chair will forward all names to the College Personnel and Budget Committee, who will add two more members to Academic Review.

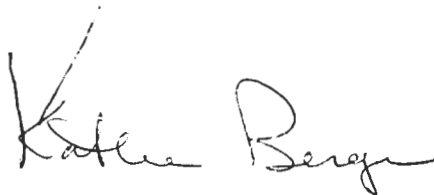

VII – Mac Holden, director of **Safety and Security** reported that “we are a very safe campus” with very little crime and good people in place. He is working on securing the perimeter of the college (with better fencing and patrols) and he is developing an Emergency Response Team. Given the short time at this meeting, Mr. Holden responded to questions, about requiring ID cards for all entering the campus (this is difficult to enforce, especially since we want to be a campus that welcomes the community, but all who enter need to show an ID card or sign in), about cars being allowed to exit at Osburne Place (the Community Board is against that), of the need for better lighting at night (he would welcome specific lists of dark places), and of more obvious designations for Visitor Parking. He agreed to come back for the October Senate meeting for follow-up discussion.

VIII – **Announcements and Reports:** Deferred until the Senate meeting, on October 14, 1999.

IX – **Committee reports and Action Items.** Deferred until the Senate meeting, on October 14, 1999.

VIII- **New Business.** There was no new business.

Respectfully Submitted:

A handwritten signature in cursive script that reads "Kathleen Berger". The signature is written in black ink and is positioned to the right of the typed name.
