WOMEN'S LIVES / WOMEN'S WORK:
The first two books in
an important series about women

Rights and Wrongs

Women's Struggle for Legal Equality

By Susan Cary Nicholas, Alice M. Price, and Rachel Rubin

"A first-rate book. An eminently readable text that should be a valuable supplement in history, political science, and sociology courses. In brief compass, this book describes with unusual clarity the principal areas in which the law touches and concerns women's lives." —Ruth Bader Ginsburg, School of Law, Columbia University.

\$3.25 paper; 112 pages; ISBN 0-07-020423-3.

Women Working

An Anthology of Stories and Poems

By Nancy Hoffman and Florence Howe

"Here are poems and stories about the varieties of women's work in the world: the oppression, the compliance, the wild joy and satisfaction. *Women Working* will help readers see what they have always known. Good literature does that." —Grace Paley, author of *Enormous Changes at the Last Minute*.

\$5.50 paper; 304 pages; ISBN 0-07-020431-4.
