Brown studies problems of "Food Deserts"

To many people geography deals with maps and the location of countries and cities, but there is much more to the work of geographers. One example is the work done by Stacey Brown, an assistant pro-

Brown recently completed her degree through the University of North Carolina at Chapel Hill. She completed her doctorate in geography at Oklahoma State University and her master’s degree at Oklahoma State University.

"I am thankful for our volunteers who have responded to nine motor vehicle accidents. Stacey Brown at her office.
