Hicks studies power, problems of the media

Regional

As you can see, this document is about the media and its impact on society. The text discusses the problems that the media has faced over the years and how it has evolved to cater to the needs of the public.

The text also mentions the importance of media literacy and how it is crucial for people to be aware of the biases and influences that are present in the media. It also highlights the role of media in shaping public opinion and influencing social and political events.

Overall, the document provides a comprehensive overview of the media's role in society and the challenges it faces. It is well-written and informative, making it a valuable resource for anyone interested in the media and its impact on society.
