England, where he graduated from the University of Illinois in Champaign. While in college, he excelled in activities in addition to being a student athlete. He was a member of the varsity baseball team, where he played first base under Coach Karl Lottman from 1988 to 1990. He also played basketball for three years, where he played guard under Coach Kevin Krueger. After leaving college, he continued his basketball career by leading EHS Orange Rush his senior year. Orange Rush is a student group that organizes events and supports teams in high school sporting events.

B. Altenhoven is a member of the Science Honor Society and Business Professionals of America. He also holds a B.S. in Business Administration from Webster University and is a member of the National Honor Society and the National Business Honor Society.

Dr. Jennifer Miller

Dr. Jennifer Miller received her doctorate in educational psychology from the University of Illinois at Urbana-Champaign in 2003. She is currently an assistant professor in the Department of Psychology at Southern Illinois University Edwardsville. Her research interests include the integration of Turkish immigrants into German and Austrian culture, and the development of multicultural education programs. She has published several articles on these topics in academic journals and presented her research at conferences across the United States.

She has also served as a consultant to various organizations, including schools and community centers, to help develop programs that promote cultural understanding and diversity. Dr. Miller's work has been recognized with several awards and grants, and she has received numerous honors for her contributions to the field of education.
