A salute to veterans
Woodland students honor veterans in many ways during the month of November. We are very proud of our students this year for week 2 of two service projects to bring joy to our military veterans. Fifth grade students led the charge by working with Operation Warm to bring in all of their leftover Halloween candy to donate to our troops serving in Afghanistan. Woodland students collected 240 pounds of candy. Our friends at the American Legion graciously agreed to ship the candy to California, where it will be forwarded through Operation Gratitude. As an added note of thanks, fifth grade students and student council members made cards and placemats to give our active duty and veterans alike.
