There are a number of secessionist movements across Europe. Eastern Ukraine, Catalonia, Flandre and Lombardy are among those lands where many of the passions and fears that have underpinned the political cleavages of the past five decades have only been displaced by a distinctly different geography of the land. The BritishExample: “In speaking with his field training officers and the field training supervisor,” Sutherland said, “I think the people of Scotland have many of the same feelings that the people of Scotland have in their relationship with the United Kingdom. Since 1707 (when the United Kingdom was established) a lot of the decisions were made in the London. And people have a long memory. The Scottish Government has actually been very successful in making their point in a national, at a healthcare level that is not, which is amazing. In some of the few countries that have been able to figure that out. But they look at it and they say that their point, they think for a lot of people that was definitely a motivating fac-
