- II. The meeting was called to order by Chairperson Ryan at 2:15 pm
- III. The approval of the minutes of October 2, 1990 was postponed until the next meeting.

IV. Correspondence

- a. The head of the Student Government communicated the names of two student representatives, Lavette Miller and Christopher Andrew. Two additional students will be elected by the student government.
- b. The chair called attention to the time constraints of the approval process if curriculum proposals are to be implemented by September 1990. Proposals should be presented in February and no later than March.

V. Old Business

- a. The proposed experimental course by CMS, Intermediate Sign Language passed 20-0-0.
- b. Department of Physics: Proposed curriculum in Radiologic Technology. Dr. Prince introduced Ms. Virginia Mishkin who is the new director of the Radiologic Program. He responded to the questions of the members at the previous meeting. A new distribution was made which contained several slight modifications including a reduction to 69 credits. An index of 2.5 in the Pre-R.T. courses will be required for entry into the Radiologic Tech Program. All clinical lab classes will be at Columbia P&S or Montefiore and the lecture classes will be on the main BCC campus.

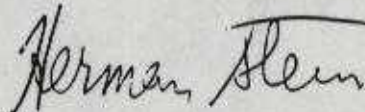

The catalog descriptions of 3 existing courses which are part of the proposed curriculum are slightly modified to accommodate their inclusion. The proposed changes are.

1. PHY 24 course description altered to include optics and to allow Radiologic students to take.
2. RAD 71 changed to read prerequisite or corequisite: PHY 22 or PHY 24.
3. NMT 84 changed to read: prerequisite or corequisite: RAD 71,
4. The prerequisite situation for NUR 41 will be checked out for the next meeting.

VI. Adjournment

The meeting was adjourned at 3pm. The next meeting is scheduled for October 30, at 2:15 pm.

Respectfully submitted,

Herman Stein
