

BRONX COMMUNITY COLLEGE  
OF THE CITY UNIVERSITY OF NEW YORK

MINUTES OF COMMITTEE ON INSTRUCTION - MAY 21, 1973

Present: I. Berger, Chairman  
D. Canty, M. Chang, D. Frank, S. Gold, H. Hermo, W. Hynes, R. Kor,  
A. Lessard, G. Leiblich, S. Reisin, J. Ryan and M. Wise.  
Student: D. Streets

The Chairman called the meeting to order at 3:45 p.m. and distributed minutes of the last meeting as well as the agenda of the present meeting.

Mr. Gold reported on the progress of the Journal of Instruction and described some of the articles that will be in the Journal. The cost of printing is borne by the College, he said, because the Journal can be used as an instrument of public relations.

Dr. Ryan reported for the Subcommittee on the Utilization of New Campus Space. He stated the six-fold aims of the subcommittee and said that eight suggestions have been received, most of these being suggestions on Departmental needs. Dr. Ryan concluded by saying that he strongly recommended that this Subcommittee be reconstituted again next year, although he will not be able to serve in this group then because he has been elected to be his Department's representative to the Curriculum Committee next year.

Dean Reisin conducted the election of officers. The following were elected:

I. Berger - Chairman  
W. Hynes - Vice Chairman  
M. Chang - Secretary

Dr. Berger resumed the chair and discussed the question of what is the best day of the week for Committee meetings. Tentatively, it was the consensus of opinion that this Committee will meet in September on one of the following days, September 25, 26, or 27.

The last item of the meeting was a talk by Prof. Hermo who spoke on Remediation at B.C.C. from 4:20 to 5 p.m. There will probably be some \$397,000 for Remediation next year, Professor Hermo reported. The question is whether the efforts at remediation should be concerted or diffused, Prof. Hermo concluded.

Before the meeting adjourned at 5 p.m., Prof. Leiblich wanted to be on record that he is in favor of asking the students whether they think the list of questions (in the Questionnaire used this semester for Teacher Evaluation) is an adequate and effective means of evaluating the teaching faculty.

Respectfully submitted,
