BRONX COMMUNITY COLLEGE
of The City University of New York

MINUTES OF COMMITTEE ON INSTRUCTION - OCT. 3, 1973

Present: I. Berger, Chairman
M. Chang, B. Eisenberg, D. Frank, S. Gold, D. Hadgis
A. Hirshfield, W. Hynes, A.J. Lessard, R. Puccio, L.V.
Torailalla and M. Wise.

The meeting started at 3:15 p.m. Dr. Berger announced that he hoped to have at least one activity planned for the Committee every semester. In the past, the Committee had invited speakers to come and share their information on teaching techniques with us; but recently people have been busy, said Dr. Berger.

The chairman then announced that he had brought a guest - a guest on paper - Jacques Barzun. Copies of Barzun's article "An Opinion - where the Educational Nonsense Comes From" was distributed to those present for their perusal. Dr. Berger demonstrated the "look-see" reading method. It was hoped that in our next meeting Barzun's article may be discussed.

The giving of the Student Questionnaire this semester was again brought up. There were three alternatives, it was pointed out. (1) All teachers must take it. (2) All those who missed the Questionnaire last semester and any one who wishes to give the Questionnaire this term will take it. And (3) Only those who missed the Questionnaire last time will take it.

The giving of the Questionnaire will be around Dec. 10 this term, it was said.

At 4:30 p.m. the meeting was adjourned.

Respectfully submitted,

Mabel L. Chang
