Minutes of the Instruction Committee, Tuesday, Nov. 27, 1973

Present: I. Berger, Chairman  
M. Chang, D. Frank, D. Hadgis, W. Hynes, S. Reisin and S. Ukeles.  
Student: E. Montiel

As the Chairman waited for more people to arrive at 3:20 P.M. he announced that future meeting will be held in the new room (Tech II-301) assigned to us.

The next meeting of the Instruction Committee will be held on Dec. 11. There may not be another meeting in December of this year because of the Christmas holidays, said the Chairman.

Dr. Berger distributed copies of "The Art of Questioning", "Types of Thought-Provoking Questions" and "Questioning."

Dr. Berger then read a communication from Dr. Eagle asking for someone from the Instruction Committee to attend a meeting on the drafting of a Student Survey. If no one is able to attend the meeting, suggestions are welcome, indicated Dr. Eagle.

Discussion of the material on Questioning ensued until 4:30 when the meeting was adjourned.

Respectfully submitted,
