

BRONX COMMUNITY COLLEGE  
OF THE CITY UNIVERSITY OF NEW YORK

Committee on Scholarships and Financial  
Aid to Students

Minutes of the Meeting of October 7, 1964.

The Committee on Scholarships and Financial Aid to Students met on Wednesday, October 7, at 11:00 a. m. in Dr. Wilkinson's office. Present at the meeting were:

Dr. Rachel D. Wilkinson - Chairman  
Dr. Mabel Chang  
Prof. Rodney Williams  
Mr. Frank Wong

1. The minutes of the last meeting were approved with the following correction: The phrase "to be used for books" should be deleted from the last sentence of Item 4.
2. The Chairman circulated a Summary Report of students receiving Deferred Tuition Loans this semester. (Fall '64). The total number of students thus aided is 50. Forty-six are non-matriculants; two are matriculants; and two fall in the "N. Y. State or Other" category. It was recommended that loans to non-matriculants be granted only to those who have made application to the college and to those who have spent one semester at the college.
3. Next, Dr. Wilkinson showed the Committee a list of the number of hours of student aid requested by each Department for the academic year 1964-65. She informed the Committee that she has received from Dean Silverman a list of the number of hours allotted to each Department and that at Dean Silverman's request she is going to inform each Department Head of the allocation as indicated by Dean Silverman.
4. Committee policy on giving work aid to students was then discussed. The Committee decided to continue our past policy in this matter - that is, only matriculated students carrying at least 12 credits be considered eligible for work aid.
5. A suggestion was made by Prof. Williams on one item on the application blank used by students in applying for work aid. The item "Semester at B.C.C." should be made more specific - e.g. to read "Total number of semesters attended at B.C.C."
6. The rest of the hour was spent by members of the Committee in reviewing and approving student applications for scholarship work. The meeting adjourned at noon.

Respectfully submitted,

Mabel Chang  
Secretary
