

BRONX COMMUNITY COLLEGE
OF THE CITY UNIVERSITY OF NEW YORK

Committee on Scholarship and Financial Aid to Students

Minutes of the Meeting of March 3, 1965

The meeting began at noon. Present at the meeting were:

Dr. Rachel D. Wilkinson - Chairman
Prof. Leonard Brickman
Dr. Mabel L. Chang
Dr. Lillian Gottesman
Mrs. Teta Moebs
Prof. Kazuye Takei
Prof. Rodney Williams
Dr. Joseph W. Wiczerzak

Absent from the meeting were:

Mrs. Anne Jackson
Prof. Isabelle Krey
Mr. Frank Wong

1. The minutes of the last meeting were approved with the following changes:
 - a. On page 2, Category III, the following phrase should be added to the last sentence:
"in addition to having the eligibility requirements of Category II."
 - b. On the second line of the paragraph after Category III, after the phrase "permitted to work during the day or evening", "including Saturday" should be inserted.
 - c. On the first line of Item No. 8, an apostrophe should be added after "William's".
2. With respect to the Nursing Loan check mentioned in the minutes of the last meeting, Dr. Wilkinson said that she has been notified that this check has been received. \$1,800 of the \$2,000 is derived from the federal government, while \$200 is the matching obligation of our College. Prof. Brickman moved that the matching funds be taken from our Scholarship Fund. This proposal was unanimously approved.
3. The Committee reviewed and discussed the tentative list of recommendations regarding scholarship grants. It was generally agreed that a deadline date for application should be included in the statement. More thought, it was felt, should be given to various questions and possibilities. For example:
 1. Should the scholarship grants be based both on a good index and need, or should these grants be given on the basis of a high index only?
 2. Should we have two separate types of scholarship grants - one based on academic standard alone and another based on both need and academic achievement?

4. The Chairman reported that President Meister approved \$1.25 per hour as the pay rate for student work, instead of \$1.50. The increase from \$1.00 will begin the first of this month.
5. Prof. Williams reported that 13 students have been declared eligible in Category II and have been signed up for work in various Departments. There is only 1 student in Category III as of today. With regard to Category I, the Departments have already used up their budgets. For all categories, a student may work a maximum of 15 hours a week. For Category III in addition to the above regulation, a student may not earn more than \$45 a week.
6. To help publicize the Work-Study program, the aid of faculty will be requested through the Faculty Bulletin and the Faculty Circular of the Evening Session.
7. Working papers are required for student workers under 18 years of age, it was found. However, it is the responsibility of the student to follow through in obtaining the working papers.
8. Application forms for the College to request funds from the government for the Summer 1965 and Fall 1965 terms have been received. These request forms have to be completed by March 15.
9. Prof. Brickman inquired whether nursing students are now still eligible for the Regents Scholarships. Dr. Wilkinson replied in the affirmative. But, it was pointed out, our students are no longer eligible for the Scholar Incentive Awards because these awards apply only to students in institutions where the tuition is over \$200.
10. It was decided that the next meeting be held on Wednesday, March 17, at Noon.

Respectfully submitted,

Mabel L. Chang
