

BRONX COMMUNITY COLLEGE  
of the City University of New York

MINUTES OF THE CURRICULUM COMMITTEE

Tuesday, March 30, 1993  
Vol. 1992-93 No. 10  
South Hall Conference Room

1. Attendance

D. Blot, F. Donnangelo, A. Galub, D. Gray, M. Kanuck, E. Kissel,  
J. Moghaddasi, V. Nordstrom, R. Quinn, J. Ryan, B. Stein, M. Wenzel,  
B. Witlieb

Dean of Academic Affairs

A. Fuller

Registrar

A. Glasser

Curriculum Coordinators

W. Hynes

Student Government

B. Goodwin

Guests

H. Frisz, M. Watford

2. Dr. Ryan called the meeting to order at 2:45 P.M.
3. The May 12, 1992 minutes were corrected to read, "For English 10, a 3 cr, 5 recitation 1 rec/conf experimental course..." (p. 38). Subject to this one change, the minutes from the Spring 1992 meetings (pp. 10-43) were approved unanimously. The minutes of March 16, 1993 were passed unanimously as corrected, as follows: OCD-12 (Tapping the Multicultural Roots of Success) is an experimental course. Its prerequisite is RDL 02 or permission of instructor. Corequisite for ESL students only is ESL 11 or permission of instructor.
4. Correspondence, Reports, Announcements  
Referring to the March 19, 1993 letter from Dean Ronald Berkman concerning the format for CPI implementation plans, Dr. Ryan consulted the committee about the rationale and preferred format for a list of substitute courses, skills tests, and equivalency examinations applicable for new students at BCC in fall of 1993. After discussion, Dr. Ryan offered to prepare a one-page narrative statement, summarizing the first stage of CPI implementation on this campus. He

will submit this on 4/13 for the committee's approval.

5. Old Business

- A. The Biology, Electrical Engineering, Music and Art, Nursing, and Social Sciences (History courses only) Departments submitted their plans for accommodating the needs of students with CPI deficiencies in their curricula or courses. These plans were reviewed by the committee.
- B. The proposal of an experimental course, Introduction to Case Management, introduced by the Social Sciences Department, was tabled until the next meeting or until needed clarifying information is received.

6. New Business

- A. Prof. Wenzel distributed documentation and discussed the rationale for changing the Water Aerobics course from experimental to permanent status. Committee members asked questions to be answered by the Health and Physical Education Department.
- B. Prof. Henry Frisz reported on the progress of transferring the New York City Technical Automotive Program to BCC. Dr. Ryan asked Prof. Frisz to present the documentation for this curriculum for approval by this committee.

7. Adjournment

The meeting adjourned at 4:00 P.M.

Respectfully submitted,

Virginia Nordstrom  
Recording Secretary
