Present: S. Clark, A. Fuller, A. Galub, A. Glasser, D. Gonsher, W. Hynes, M. Kanuck, E. Kissel, R. Leinaeng, J. Moghaddasi, A. Paullay, R. Quinn, J. Ryan, A. Smith, M. Wenzel, B. Witlieb.
Guests: C. Honda, A. Lal, R. Matos, V. Mishkin, M. Stern.

- I. Chairman James Ryan called the meeting to order at 2:45 p.m.
- II. The minutes of February 14, 1995 were not available for approval.
- III. ANNOUNCEMENTS

Mr. Glasser noted that the new registration system, which is being implemented in the summer will check for prerequisites. Departments should review prerequisites for their courses and get the information to Mr. Glasser.

IV. OLD BUSINESS

- A. Professor Wenzel, Matos and Stern responded to questions raised at the last meeting in reference to the proposed Community/School Health Education Curriculum leading to an A.S. degree. Additional discussion followed in reference to various aspects of the program. Action on this proposal is possible at the next meeting.

V. NEW BUSINESS

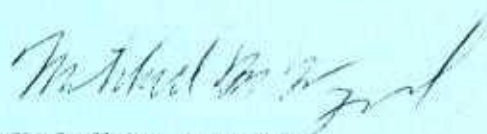

- A. Professor Hynes (Business) presented a proposal for a new course, "Computer Fundamentals and Application" (DAT 10). The proposed course will replace "Introduction to Systems" (DAT 30), in the following programs: Accounting, Marketing Management, Management Option, Marketing Management Option and Health Care Management. Questions were raised for his response at the committee's next meeting.
- B. Professor Mishkin (Physics) presented a proposal to change the existing Radiologic Technology Curriculum, which included the elimination of the following courses: Psychology (PSY 11), Introduction to Systems (DAT 30), and Senior Seminar (RAD 72). Questions were raised for her response at the committee's next meeting.

- C. Professor Lal (Physics) proposed some changes in the Catalog descriptions for the following courses: Astronomy 11 and 12. Professor Ryan proposed that the changes requested by Professor Lal be considered routine rather than substantive. The committee concurred. The courses are to be placed, in the proper format for consideration at our next meeting as a routine change
- D. Professor Paullay (Math and Computer Science) proposed a change in the co-requisite of "Introduction to Computer Programming I" (CSI 10), from MTH30 to MTH31. Professor Ryan proposed that the change be considered a routine change. The committee concurred. A pattern sheet for the Computer Science Curriculum will be available at our next meeting, with action pending.

VI.

The meeting was adjourned at 3:50 p.m.

Respectfully submitted,

Mitchell M. Wenzel
