- I. Chairman J. Ryan called the meeting to order at 2:17 p.m.
- II.
 - a) The minutes of the meeting of April 21 were amended to reflect the correct form for the prerequisite change covered on page 31. This will appear as page 31A.
 - b) Professor Resto expressed his thanks and appreciation for the remarks in item V. a) of the previous minutes.
- III. **New business**
 - a) Spanish 14 (SPN 14)
 - i) The Department of Modern Languages requested, with the chairman's support, that the committee waive its rule that three meetings take place before the approval of its course SPN 14. This was an experimental course dating from Fall 1993, whose statutory two-year duration had expired, but which through oversight continued until spring 1997 without subsequent Curriculum Committee approval. Having been discovered by an audit, this error needed immediate correction for the course to remain in being.
 - ii) The committee unanimously waived its three meetings rule as applied to SPN 14 and voted to approve the latter course 13-0-0.
- IV. **Any Other Business**
 - a) The chairman reported that the availability of new SIMS computer records to the Registrar would now facilitate the effective enforcement of pre-requisites during registration for the 1998 summer session and during early registration for Fall 1998.
 - b) The meeting was adjourned at 2:51 p.m.

Respectfully submitted,

N.S. Davis
Secretary Pro Tem
