111. CORRESPONDENCE, REPORTS, ANNOUNCEMENTS:

None

IV. OLD BUSINESS

- A. Curriculum committee members reviewed the procedure to be followed when considering the proposed revisions in the various curricula. It was agreed that the committee should continue considering the proposals, but final action be deferred until resolution of the PSC-CUNY legal concerns, or until these matters are returned to the agenda.
- B. Supplemental supporting materials were distributed by the appropriate department representatives regarding the following proposals.
 1. Department of Health, Physical Education, and Wellness proposed New Curriculum "Therapeutic Recreation" - A.S.
A motion to approve the proposed "Letter of Intent" for the new Curriculum "Therapeutic Recreation" was accepted: 16 - 0 - 4
 2. Humanities Division proposed revision of the "Liberal Arts and Science" - A.A.
Discussion of this item continued.

3. Department of Secretarial and Office Information Systems proposed revisions "Secretarial Studies - Medical Curriculum" - A.A.S. and "Secretarial Studies" - A.A.S. Discussion of these items continued, but final discussion and action were deferred to a later date.
4. Physic Department proposed revision "Engineering Science" - A.S. Discussion of this item continued, but final discussion and action were deferred to a later date.
5. Department of Nursing proposed revision "Nursing Curriculum" - A.A.S. and "Fast Track RN Curriculum" - A.A.S. degree. Postponed to the next meeting

Y. NEW BUSINESS

Department of Engineering Technologies proposed revision in the "Electrical Technology" - A.A.S. degree with Waiver Request
Distribution of supporting materials for both requests were presented, Committee member's questions were received and responses expected at the next meeting.

Y1. ADJOURNMENT

The meeting adjourned at 4:04 P.M.
The next meeting will take place on November 7, 1995 at 2:30 P.M. in South Hall Conference Hall.

Respectfully submitted,

Michael J. Kanuck
