1. Call to Order

Prof. Galub called the meeting to order at 12:35 pm.

2. Approval of the Agenda

The agenda was approved by voice vote, with additions to
Item 4.

3. Approval of the Minutes of the Meeting, 25 October 1990

The minutes were approved by voice vote.

4. A. Curriculum Committee action item: Report of the
Subcommittee on the Core Curriculum

Prof. Ryan moved that the report be returned to the
Curriculum Committee for consideration. The motion
was approved by voice vote.

B. Committee on Student Activities -- Report and action
item

Dean Rempson presented the committee's report which
included information on membership and rechartered clubs
and college-wide organizations. The motion to approve
the charters of five new clubs (Secretarial Club,
College Discovery Club, ESL Club, BCC Chinese and
Vietnamese Club, and Hispanic Evening Students
Association) was unanimously approved. It is still
possible to charter new clubs in the spring.

C. Sign Language II -- action item

The Senate unanimously approved giving its advice and consent to the action of the Curriculum Committee which in its turn gave its advice and consent to the Office of Academic Affairs, which has approved the offering of this course for two years.

D. Radiologic Technology Curriculum -- first reading

A letter of intent has been sent to the Board concerning the College's plan to draft a formal proposal for this curriculum, which is being developed under a grant by Virginia Mishkin, the Coordinator of the program. In response to questioning, Ms. Mishkin responded that minor changes were made to existing courses to meet Title III requirements, that the program would not compete with one at Hostos but would complement it, and that cooperative arrangements had been made with local hospitals which will make their facilities available to BCC. Students in the program will learn imaging procedures including ultra-sound and MRI techniques.

The written proposal will be available for the next meeting of the Senate.

5. Committee on Academic Standing: Report on the "F" grade

A motion was made to approve the report and the actions implied within it. Several senators expressed concern that it was not exactly clear what the Senate would be voting on since the report was not a proposal on the policy guidelines, but a set of comments. A motion to table the motion was approved: 24-3-3.

6. New Business

There was no new business.

7. Adjournment

The Senate was adjourned at 1:20 pm. The next meeting will be December 13, 1990.

Respectfully submitted,

Madelaine Bates
Secretary
