V New Business:

- (1) Change in hours and credits for existing course

CSI 20 – Discrete Mathematical Systems

Change in existing degree programs

Mathematics A.S. Degree Program

Computer Science A.S. Degree Program

Department of Mathematics and Computer Science

The Department of Mathematics and Computer Science proposed a change in the hours and degree credits for CSI 20. Additionally, the department proposed changes to the two degree programs that contain CSI 20 in their curricula (Mathematics A.S. and Computer Science A.S.). Chancellor's Reports describing the changes were distributed. Questions were asked of the department representative (Dr. Psarelli). Answers are to be provided at the next committee meeting. No committee action possible.

- (2) Changes in prerequisite for an existing course

CMT 31 – Audio Recording and Duplication

Department of Communication Arts & Sciences

The Department of Communication Arts & Sciences proposed a change in the prerequisite for CMT 31. There are no current prerequisites for CMT 31. This proposed change would add a prerequisite of CMT 10. A Chancellor's Report describing the change was distributed. Questions were asked of the department representative (Dr. Gonsler – Department Chairperson). Answers are to be provided at the next committee meeting. No committee action possible.

- (3) Change in existing degree program

Nuclear Medicine Technology A.A.S. Degree

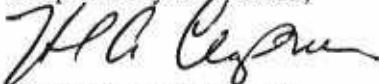

Department of Physics and Technology

The Department of Physics and Technology proposed changes to the Nuclear Medicine Technology A.A.S. degree program. These changes are to accommodate the two new courses (EKG – Interpretations and Techniques, and Phlebotomy) the department proposed previously (see IV-Old Business, Item 1). Supportive documentation and a Chancellor's Report describing the change were distributed. Questions were asked of the department representative (Dr. Montenegro) and department chairperson (Dr. Abdellatif). Answers are to be provided at the next committee meeting. No committee action possible.

VI Adjournment:

The meeting was adjourned at 3:45pm. The next meeting is scheduled for March 20, 2001.

Respectfully submitted,

Howard A. Clampman

Secretary
