South Hall Conference Room

ATTENDANCE: N. Abdellatif, L. Augustus, T. Cipullo, H. Clampman,
S. Davis, A. Fuller, A. Galub, P. Gilbert, D. Gonsher, H. Irby,
L. Lawton, M. Kanuck, L. Montenegro, J. Ryan,
M. Shumowitz, M. Wenzel, B. Witlieb
Guests: J.R. Morales, K. Park-Klm, R. Quinn

- I. Chairman James Ryan called the meeting to order at 2:05 p.m.
- II. The minutes of Mar. 17 were corrected as follows:
 - A. On p. 20, add Vol. 97-98, No. 7, South Hall Conference Room
 - B. For III. B., the course title should be Values [not Value] ...The minutes were approved as corrected.
- III. **CORRESPONDENCE AND ANNOUNCEMENTS**
 - A. The Physics Department should bring to the Curriculum Committee for approval, the Nuclear Medicine Technology Curriculum, 63 credits.
 - B. Notification of the actions of the Board of Trustees, or office thereof, with regard to curricular matters should be systematic, including announcements sent to the appropriate chairpersons and curriculum coordinators, the Curriculum Committee chairperson, and the Registrar.
- IV. **OLD BUSINESS**
 - A. The Department of Business answered questions from the previous meeting about prerequisite changes for DAT 44 and 46. Action is possible at the next meeting.
 - B. The Department of Business answered questions from the previous meeting about the Letter of Intent for a program: Computer Information Systems (A.A.S.). Discussion ensued, and will continue at the next meeting.
- V. **NEW BUSINESS**
 - A. The Department of Physics and Technology proposed changes in course description for ELC 25, ELC 35, and a change in corequisite for ELC 15. Questions were asked of the department. The Chairperson ruled these were routine changes and that action was possible at this meeting. The changes were approved unanimously viva voce. (See attached, pp. 24-27.)

- B. The Department of Physics and Technology proposed a course Concepts of Contemporary Physics. Questions were asked of the department. No action was taken.
- C. The Department of Mathematics and Computer Science proposed a change in the prerequisites for CSI 40. Questions were asked of the department. No action was taken.

The Committee adjourned at 3:27 p.m.

Respectfully submitted,

Bernard Wittlieb
Secretary, Pro Tem
