Bronx Community College President's Report to the Senate

September 22, 2016

After a wonderful summer, there is much exciting news to share. First and foremost, welcome back for the 2016-2017 academic year. It is refreshing to see faculty, staff, and students back and our campus bustling and thriving. We had a great Fall 2016 Convocation. I was happy to meet the newest members of our community and to conduct a year-end review of this past academic year. This year's Freshman Convocation was a good opening to our **Year of the Student**. Our energetic Freshman Convocation speaker, Gian Paul Gonzalez, asked us to be "All In." We need to be "All In" for the success of our students. Thank you to all that made both events a huge success.

Please join me in welcoming the newest members of our BCC family. In the Division of Academic and Student Success, Manny Lopez returns to BCC as the Associate Dean of Student Development. Simone Rodriguez-Dorestant is the new Associate Dean of Success Programs. Rogelio Knights joins us as the new Athletics Director. On Friday, September 23, 2016, the Division of Administration and Finance, through the Department of Human Resources, will be hosting a New Employee Orientation for all new staff. We look forward to formally welcoming all of our newest coworkers and wishing them continued professional success.

I am excited to announce the opening of our beautiful quad. Many of you may be wondering about the green fencing. It will remain up until the grass seed has fully taken root. As part of the quad renovation project, we have added two additional flagpoles to the existing pole in front of Language Hall. They display the flags of the State of New York and the City of New York. Phase Four of the facilities upgrade project is underway near the University Avenue entrance. We are looking forward to the continued beautification of our historic campus.

In my Summer President's Report, I announced the passing of BCC President Emeritus Roscoe C. Brown, Jr. In lieu of a large public memorial service, Dr. Brown's family held a Jazz Tribute and gathering of Roscoe's Red Tails at the Intrepid Sea, Air and Space Museum. I was fortunate to attend on behalf of Bronx Community College and convey our communal sense of loss and condolence to Dr. Brown's family.

BCC proudly exceeded our ASAP enrollment targets for the Fall 2016 semester. To support these students, new ASAP offices have opened on the first floor of Nichols Hall and newly-renovated classrooms are now in use on the first floor of Bliss Hall. While enrollment is down across the University system, we are hopeful that we can remain leaders in the enrollment of ASAP students. The Division of Academic and Student Success is working to develop a partnership with the Community College Research Center (CCRC) to study our ASAP expansion and college re-design efforts. Our work has generated great interest in the field of pedagogy and student support.

While our ASAP enrollment numbers exceeded targets, we still have work to do with transfer students and returning students. We continue to lose nearly 40% of our returning students from Fall semester to Fall semester. This is not sustainable over time. As this is the **Year of the Student**, I challenge each and every one of us to come up with ideas and ways to improve retention and increase graduation rates.

BCC is awaiting the finalization of the budget and Financial Plan for Fiscal Year 2017. Our preliminary allocation is \$74.6M, but we expect some adjustments during the finalization process. Our projected Capital Budget for Fiscal Year 2017 is \$59.1 for various campus projects. Department are asked to spend at the same level as Fiscal Year 2016. Once a final budget has been provided by CUNY Central, it will be shared with the campus community. Additionally, the new PSC/CUNY Collective Bargaining Agreement is being

implemented. Initial bonus checks are scheduled for disbursement on Friday, October 21, 2016. Retroactive payments are scheduled for payment in January 2017. The PSC, CUNY, and BCC administration are working together towards seamless implementation.

Both the AA in English and AS in Exercise Science and Kinesiology are now being offered at BCC. The prior AS in Community/School Health Education was revised and is now offered as an AS in Public Health. Congratulations again to the Chairpersons and Faculty of the Departments of English and Health, Physical Education, and Recreation for their work in bringing these new programs to fruition. I look forward to sharing success stories from these programs in the future.

We are pleased to inform the campus that BCC has finalized the contractual arrangements with the vendor selected to oversee the College's website redesign and the rebranding initiative that will help us better articulate our core strengths, mission, and values. This is an ambitious project that will involve all departments and units. We are looking forward to work commencing in the upcoming weeks.

I am planning to meet with members of our Adjunct community this semester to hear more about both successes and challenges at BCC. Two immediate critical issues are being addressed prior to that meeting – timely Adjunct payment and identification of additional working space on campus for Adjunct usage. I look forward to hearing more ways in which we can improve the Adjunct experience and demonstrate the importance of Adjunct contributions to our campus and students. Once a date has been identified for this Town Hall, it will be disseminated via BCC Broadcast.

On Thursday, October 27, 2016, IT will be rolling out a single sign-on solution to the entire campus community, allowing everyone to access their BCC and CUNY accounts from one page and using a single username and password. We are hopeful that this will reduce confusion and improve the efficiency of your online experience.

In Fiscal Year 2015-2016, the BCC Foundation Board:

- Raised over \$1,017,000 in private support;
- Awarded scholarships totaling \$168,747 to 152 students in need of financial assistance;
