   A motion was made by M. Pulver that:
   The Curriculum Committee, as an interested party, request the Registrar's Office to investigate further the means whereby the B.C.C. computer system can detect instances of students registering for courses without fulfilling proper prerequisites.

   The motion was seconded and carried: Yes - 16, No - 0, Abstentions - 4.

6. **New Course Proposal: Department of Health and Physical Education.** The course proposal and the outline for an International Folk and American Square Dance class were distributed.

   Discussion of transferability of credit to senior CUNY units and the need to obtain evidence of transferability of new courses for elective, major, or core credit will be continued at the next meeting.

The meeting was adjourned at 5 p.m.

Respectfully submitted,
