III. Subcommittee on Student Appeals *Monique Fortuné*

Monique Fortuné distributed an informational chart summarizing the actions of the December 2nd subcommittee. On that date, 14 Administrative cases were considered of which 12 were granted and two were denied, two Dismissals cases were considered and granted, and no Statute of Limitations cases were considered. A motion to accept the recommendations of the December 2nd subcommittee was approved unanimously.

Isabel Mirsky described a separate case in which a student had received the grade of WU for SPN 11 in Spring 2004 and then received the grade of C+ in SPN 111 in Spring 2014. Since SPN 11 had been a four-credit course and SPN 111 is now a three credit course,
