- IV. The Annual Report to Senate was discussed.

- VI. New Business
 - a. Access to drinking water in buildings – This item was tabled until Fall semester 2019.
 - b. Trees for shade in the middle of the quad – there are no plans currently to add trees. The lack of trees is deliberate in order to use the space for graduation ceremonies. T. Rothenberg suggested this be revisited in the future.
 - c. Faculty and Staff Lounge in RBSC – The combination lock is not ADA-compliant (because it needs 2 hands). D. Taylor will investigate solutions.
- VII. Chairperson L. Broughton thanked the members of the committee for their service this past year.
- VIII. Meeting Adjournment 4:05 PM

Respectfully submitted,

Laura C. Broughton, Ph.D.
