I. ORDER OF THE MEETING

1. Notwithstanding those members of the Committee on Academic Standing who had notified the Chair in advance of their inability to attend this meeting, at 2:58 P.M. the meeting, lacking a quorum, was convened by the Chair as an ad hoc subcommittee of the Committee on Academic Standing. This was done to expedite consideration of August, 1977 candidates for graduation who would come before the Committee to be considered for special action in the matter of granting their degrees. It was noted that actions of this subcommittee would necessarily be of only an advisory nature, pending action by the full Committee.

VI. RESTRUCTURING OF THE COMMITTEE ON ACADEMIC STANDING

The Chair reported on a request from the Committee on Governance, Structure and function asking this Committee to formulate any suggestions it might have for future changes in the Governance Plan as it relates to the function and composition of this Committee. However, the Chair noted that the deadline for submission of such suggestions was such that no full deliberation of possible changes was possible before it expired. In light of that and of the administrative reorganization of the College set for December 1, 1977, the Chair stated that he would communicate with the chairperson of the Committee on Governance, Structure and Function to obtain more time for this Committee to consider changes in the regulations controlling it.
