**1943 Debutantes Curtis To Society at HP Dance**

By Alice Smolin

Down with, The 400! No longer will the lack of a Park Avenue address and eight million dollar bank account stand in the way of, Nellie S. Curtis, the captain of Saturday, March 4th shall witness the dawn of the long-heralded new era.

midst the luxurious surroundings of Exercise Hall, the most beautiful debutantes of the class of '43 and two attendants will be formally presented to society—City College Society! Although, it won't be champagne bottles whose corks will be popping, and the names of the guests don't usually appear in the "Blue Book," the debbies will have as grand an affair as any the Waldorf staff ever witnessed. (Ad of Brenda Prater!!!)

Moreover, a personal invitation for two will be extended to every holder of the required 40c ticket. The stag line will be filled by those lucky males whose partners are selected with twenty-five cent pieces.

The coronation march and other mush will be extended by Harry Auerbach and his Royal Grenadiers. The place of the usual court jester will be more than ably filled by Bernie Wesler, Marty-Rosenblatt and Norm Garmen.

As yet, the debutantes have not been chosen. Freshmen, here's your chance for everlasting fame! You don't need pull, you don't even need initiative. All you have to do is hand a particularly fetching photograph copy of your most charming self to Herb Hauser, chairman of the House Plan social function committee, or to Joe Fox, chairman of the House Plan desk. (Ed. note: The steps of the building are weak, and won't stand up under too great a strain.)

**Board Committee Reappoints Arm**

By Eugene Rubin

The City College Administrative Committee of the Board of Higher Education voted 4 to 1 Friday for reappointment of Sigmund S. Arm, Main Center Government tutor, for one year without tenure.

This action followed a meeting of the Executive Committee which had unanimously voted that no tutor shall have tenure of office unless he has met the eligibility requirements for instructorship, that is, residence requirements for the Ph.D. degree.

These decisions will be presented for the Board's approval tonight at 8 p.m.

**March 1 Deadline For Lexicon Dues**

A last anguish note is being uttered by the business manager of the Lexicon for the yearbook. If the seniors wish to have a book, they will be no book issued. The Dean and Lexicon staff members have extended the deadline as a solution to the financial problems of the book. "If the seniors wish to have a book, they will be no book issued. A record-breaking number of subscribers have shown that the duties they feel are more important than the duties of their class. But to get the book they must be paid up before it is too late."
Monday Morning

By Stanley E. Walzmann

Some time ago I was asked about the future of the student body. The answer that comes to mind is that the future of the student body is dependent on the present. If we continue to work hard, we will have a successful future. If we do not, we will face challenges.
